Agenda Item 1: Follow-up Items

1. Dress Code

Shannon discussed the proposed dress code for the high school. It was told to her by the administration that the changes needed to be done by the administration, so Mr. Tuck proposed a dress code change. After much discussion, it was decided that maybe the old dress code was about the same. The committee was in agreement that the administration needs to deal with this issue and their decision would be respected.

2. Upper-level Retake proposal

Cathy proposed a more refined proposal of the upper level course retakes, facilitators should take the proposal back to their groups and any input should be sent to Cathy. The change of 70% added achievement of classwork was put on the proposal.
