### **Agenda Item 1: Follow-up Items**

- 1. Semester test schedule:** Susan Parrish reported on the revised semester test schedule. After feedback from ALC groups, it was decided by the group working on the schedule that their proposal was the best schedule for everyone. Any input should be reported to the administration [since the schedule has already been approved by administration]. It was proposed by Susan that the early day should be the last day of the Semester.
- 2. Comprehensive School Improvement Plan (CSIP):** Jay Roth discussed CSIP. Re-evaluation of CSIP goals will probably be during an after school meeting to be held later this semester after the district school survey is completed.

### **Agenda Item 2: New Items**

#### **1. Drink policy**

Policy of drinks in the hallway was discussed. There is a split on the importance of policing this issue and if it really warrants the time of discussion. **ALC teams should briefly discuss the issue and if they wish to give input, e-mail Scott Cook with their input [by next Tuesday, 11/15].**

### **Agenda Item 3: Facilitator Input**

- Shannon Cuff reminded us that Friday, November 11, there will be 60 visitors in the building from 8:00 to 3:00. The library will be closed. ALC coaches are to meet in the library from 12:15 - 1:00 and then the visitors will attend all ALC meetings from 1:00 - 2:00.
- Susan Parrish offered a special thanks to all teachers who have encouraged students to read in their spare time, and extra TNT time.
- Sandy Kremers reported that the Student Services Team was working hard on "Senior Graduation Crisis" and accomplishing their goals at this point.

Meeting adjourned 3:30 p.m.
