Phil also produced a proposal of raising grade standards for students involved in extra-curricular activities. Facilitators were to take the proposal to their ALC groups, any feed-back or discussion should be e-mailed to Phil.
- 2. Graduation Ceremony:** John Hartley discussed graduation. Ask that groups discuss this issue and e-mail John with any input concerning the ceremony before April 12.
- 3. Vision Statement:** (Eric was not present – issue tabled for future)

Agenda Item 3: Facilitator Input

- Susan Parrish talked about concern for the information being sent out to parents in the new SIS system. She wanted to know answers to two questions: 1. What does parent see of grades. 2. How frequent are the updates in grades.

Jolene informed us that updates are daily, but grade updates are up to the teachers. We have a definitely 4 1-2 week update to grades, but many teachers may update their grades a lot more often than that. Also, parents will see the SGP column and the grade card when it is produced.

It was suggested that one member from each ALC group get with Jolene and learn about this system and then return to their groups and teach the members of that group.

- Joyce reminded the committee, they need to elect a new secretary.
