

Turning Negatives into Positives

Angry Re-directing	Positive Cueing
<p>"More than half of you failed. Most of those who passed just got by. Nobody got 100%. This is the poorest class I've had in a long, long time."</p>	
<p>"The trouble is with your attitude. You don't pay enough attention in class!"</p>	
<p>"Unless you get over your lazy habits, and come up to the standards I've set for this class, many of you will have the pleasure of repeating this course next semester."</p>
