Power Standard 7:10
Summative Scoring Guide

1. A
2. B
3. Sample Answer:

Key Elements: Graph is titled; sections on circle graph are correct size (degrees); sections on circle graph have labels with category and percent

- 3 points: Graph contains all 3 key elements.
- 2 points: Graph contains 2 key elements.
- 1 point: Graph contains 1 key element.
- 0 points: Graph contains no key elements.
4. B
 5. 37.5; 34; 56; 37
- 4 points: Exemplary response; all 4 measures correctly given
- 3 points: 3 measures correctly given
- 2 points: 2 measures correctly given

1 point: 1 measure correctly given

0 points: no measures correctly given

6. 26 students

2 points: Exemplary response; correct answer and work given

1 point: Correct answer OR correct work given

0 points: Neither correct answer nor correct work given

7. D
